

# Polytec Titan Canopy

# POLYTEC Titan Canopies

## **Application**

Titan canopies provide all year weather protection.

## **Installation**

Quick assembly from pre-prepared components.

## **Designed to appeal**

You can give your Titan the look you desire with a half round or a Victorian gutter, plain or performance roofing materials, and a choice of structural colours.

## **Elegance**

Smooth finishing without screws.  
A clever invisible water discharge integrated into the legs.

## **Mobility**

Easily dismantled for removal or renovation.

## **Sun Protection**

Can be fitted with the latest sun protection roofing or sunscreen systems.

## **In-Built Quality**

Constructed to the highest quality at an affordable price.  
Macrolux Longlife sheets as roofing carry a 10 Year Guarantee.

**Polytec is a division of Macrolux (UK) Limited**
